Selling out of Haldia Fertilizer Corporation Ltd.

3033. SHRI VISHNU KANT SHAS TRI: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether Government are planning to sell out Haldia Fertilizer Corporation Limited.

(b) if so, at what cost/price and the reasons therefor;

(c) the total investment in the project and its present valuation;

(d) whether any global tender has been issued for this purpose;

(e) whether it is a fact that M/s. Chatterjee Group, a partner of Haldia Petro-chem Limited is interested in buying the Haldia Fertilizer Corporation Limited and Government intend to sell it to that Group; and

(f) if not, the steps Government have taken to revamp this project and if not the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI SIS RAM OLA): (a) to (f) The revamp of Haldia fertilizer project of Hindustan Fertilizer Corporation Ltd., (HFC) was not found to be techno-economically viable. Its rehabilitation would require setting up a new standard sized ammonia/urea plant at an estimated cost of about Rs. 1300 crore at current price levels. Keeping in view the magnitude of fresh investment required it was decided to attract private capital for rehabilitation of Haldia fertilizer project of HFC. No global tenders have yet been issued for inviting any offers for the same.

An expenditure of Rs. 995.37 crore had been incurred on Haldia Fertilizer project upto 31.3.1996. HFC has engaged Projects & Development India Ltd., (PDIL) to undertake the valuation of the assets of the project.

M/s. Chatterjee Group had envinced a preliminary interest in take over of the Haldia Fertilizer Project in the proceedings before the Board for Industrial and financial Reconstruction (BIFR). Any final decision with regard to having off the Haldia Fertilizer Project would depend upon the outcome of the proceedings pending before the BIFR, which is a quasi-judicial authority.
